Dear Mr. McNachtan:

As the year comes to a close, I would like to take this opportunity to thank you for your dedication to the Critical Applications Work Group of the Infrastructure and Interoperability Subcommittee of the Advisory Committee on Technology and the Courts. It is because of your hard work and commitment that 2003 was a successful year. Although the work group is still in its infancy, much has already been done to lay the foundation for the OCN project. Without your participation and valuable input this initiative would not be possible.

Thank you for your continued support of the Ohio Courts Network initiatives. Our work will have a profound impact.

Sincerely,

Hon. Thomas Zachman  
Chair, Infrastructure and Interoperability Subcommittee
