Dear Mr. McNachtan:

As the year comes to a close, I would like to take this opportunity to thank you for your dedication to the Criminal Functional Standards Work Group of the Standards Subcommittee of the Advisory Committee on Technology and the courts. It is because of your hard work and commitment that 2003 was again a successful year. Without your participation and valuable input and accomplishments such as drafting facsimile filing standards, drafting the case management standard, and creating a proposal for uniform case numbering would not have been possible.

Thank you for your continued support of the Standards Subcommittee initiatives.

Sincerely,

W. Milt Nuzum
Chair, Standards Subcommittee of the Advisory Committee on Technology and the Courts

CC: Hon. John P. Bessey, Mary Beth Parisi
